every other topical!

# Motion Medicine™

## Topical Remedy

### Directions & Effects

Apply Motion Medicine™ directly to the affected area and massage into the skin. Expect a cooling sensation followed by a deeper warming sensation. Often, people experience almost instant results. Motion Medicine™ acts fast. Repeated application should result in longer lasting results.  
Visit our web site [www.motionmedicineinc.com](http://www.motionmedicineinc.com)

### Cautions

For External use only. Maximum 4 times a day on each affected area. Consult a physician for use on children under 12 years of age or if you are taking blood thinners. Do not use if you are pregnant or lactating. Avoid mucus membrane, sensitive areas, broken skin. Do not wrap or apply external heat.

### Ingredients

Natural active ingredients include glucosamine sulfate, chondroitin sulfate, oil of wintergreen, thymol, menthol, eucalyptus leaf oil, camphor, grape seed oil, lavender essential oil, MSM.

### Quality Guarantee

Motion Medicine™ is formulated in Canada with the highest quality ingredients under the stringent guidelines of Health Canada. Each batch is tested by an independent laboratory ensuring accuracy, quality, purity.

**EASES PAIN**  
**IMPROVES MOVEMENT**  
**HIGHLY EFFECTIVE**

## Motion Medicine™

A revolutionary healing cream scientifically formulated with all-natural ingredients. Motion Medicine™ is designed to relieve and prevent muscle and joint pain due to inflammation and arthritis. It enhances circulation and exerts anti-inflammatory, antioxidant, pain relief, as well as cartilage and tissue repair activities.

### For relief of:

- Aches and pains of muscles and joints
- Backache, lumbago
- Arthritic or rheumatic pain
- Strains, bruises, sprains
- Pain of tendons and ligaments
- Headaches

"Within Motion Medicine are known anti-inflammatory compounds, analgesics, and circulation enhancers, as well as ingredients that may facilitate tissue repair. Specially formulated with skin permeants, and hydrating ingredients, Motion Medicine is a very safe and highly efficacious topical therapy cream."

-D. Johnson, Ph.D. Medical Scientist

**Easy to use**

Motion Medicine™ is a concentrated topical remedy that is applied directly on the skin and gently massaged in. It's a fast working unique formulation of natural ingredients and additional active medicinal ingredients (many of which) have been proven to reduce pain, swelling, bruising and assist in healing soft tissue.

**Fast acting**

Motion Medicine™ also contains antioxidants (anti-aging), muscle relaxers and skin conditioners.

**How it is so Effective!**

**Why it is so Effective!**

ACTION/EFFECT	CREATED WITH	PHYSICAL BENEFITS
Anti-inflammatory (reduce swelling)	Methylsulfonylmethane (MSM) Eucalyptus Oil Oil of Lavender Grape Seed Oil	Reduces swelling, pain and increases range of motion. Promotes wound healing and reduces the neutrophil by-products which cause inflammation.
Antioxidant (anti-aging)	Methylsulfonylmethane (MSM) Grape Seed Oil Vitamin E	Protects against carcinogen-induced oxidative cellular and genotoxic damage.
Anaesthetic / Antinociceptive (pain relief)	Menthol Eucalyptus Oil Oil of Wintergreen Methylsulfonylmethane (MSM) Thymol	Blocks Na <sup>+</sup> channels in nociceptors (nerves that sense pain), thus providing onsite pain relief.
Muscle Relaxant (speeds recovery)	Menthol	Relieves spasms of the musculature due to suppression of Na <sup>+</sup> movement in neurons and skeletal muscle cells.
Circulation Enhancer	Menthol	Dilates arterioles and improves circulation.
Penetration Enhancer	Menthol Camphor Urea Polysorbate-20 Eucalyptus Oil	Non-ionic surfactants that enhance delivery of hydrophilic substances and the flux of substances through/across the stratum corneum.
Cartilage / Tissue / Muscle Repair	Glucosamine Sulfate Chondroitin Sulfate	Required for synthesis of hyaluronic acid by fibroblasts. Contains essential fatty acids used in tissue repair. Forms the matrix of cartilage covering articular surfaces with synovial joints.
Skin Conditioner / Anti-irritant	Glycerin Methylsulfonylmethane (MSM) Grape Seed Oil	Softens and prevents dehydration of the skin and abolishes skin irritation.
